Aaliyah Raderberg

has successfully completed the online, non-credit Specialization

Privacy and Standardisation

Congratulations, you have completed the specialization about privacy and standardisation. We are impressed to see that you have mastered this comprehensive study in the intriguing subject of privacy and standardisation. We hope that completing these courses and capstone, boosts your further accomplishments whether it is in privacy, personal data regulation, or standardisation. Your newly acquired comprehensive insights and opinion on privacy and standardisation will help you master challenges especially in all areas of present-day privacy protection and technological innovations. Good luck and use your new powers wisely, Prof.mr.dr. Jan Smits
